THE ONLY ROOFING SOLUTION CERTIFIED AS A  
GREEN LABELLED PRODUCT  
IN SRI LANKA

ARMOR ROOFING

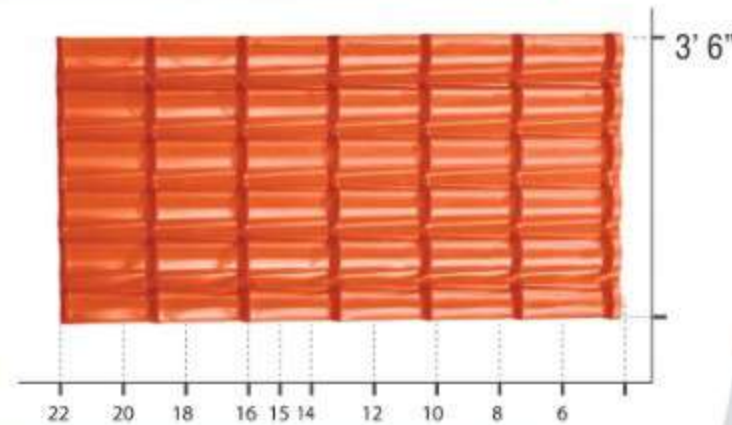

Comfort above all

Limited Warranty as per the terms & conditions given in the warranty card.

Armor roofing was introduced to Sri Lanka to enhance the beauty of homes, giving each of them a touch of distinction and individuality. Our roofing is based on the heritage and appearance of "merata Ulu" (මෙරට උළු). If you are looking for a roofing solution which combines the best of durability, aesthetics, protection in extreme weather and traditional appearance, Anton Armor roofing has it all... and more.
