## PROFILE

After completing the NVQ 05 in Electrical Technology, I received 06 months industrial training as an electrician from Michelin Lanka (Pvt) Ltd. There, motor control and power panel wiring with PLC, preventive maintenance, know about as a safety rules and how to use safety equipment, etc. I got good knowledge and experience about working.

## MISSION

To work in a progressive environment in which offers enough challenges and opportunities for me to expand upon my knowledge and grow as a competent professional, while adding value to the organization.
